UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY
The civilian component of the U. S. Coast Guard
(Authorized by Congress in 1939)

TO: Office of the Mayor
City of Plattsburgh
Donald Kasprzak
41 City Hall Place
Plattsburgh, New York 12901

25 April 2012

FROM: Carl J. Duford, Flotilla Commander

Every year the Coast Guard Auxiliary participates in National Safe Boating Week. This year the event is from 19 - 25 May 2012. The Coast Guard Auxiliary and the U.S. Power Squadron located in Plattsburgh would like permission to use the City Docks adjacent the Treatment Plant and the Plattsburgh Boat Basin. Both of these organizations are involved in public education and boating safety. With permission we would like to have access to this area from 10:00 AM until 2:00 PM on 19 May 2012 for demonstrations, offer free boat inspections, pass out materials regarding boating safety, and finally demonstrate the proper use of flairs. If possible have the fire department available to assist with the demonstration of flairs.

The Auxiliary has appreciated all of the support you have given us in the past. I can be contacted by phone 643-0956, or email milret1508@yahoo.com Thank you for your consideration.

Carl J. Duford, Flotilla Commander
District 1 SR, Division 15, Flotilla 08

* They will not be preventing boat traffic and use of Ramp for others *.

Seth Silver
40 Trafalgar Drive
Plattsburgh NY 12901
(518) 566-7130
04/22/2012

Mayor Donald Kasprzak
City Hall Place
Plattsburgh, NY 12901

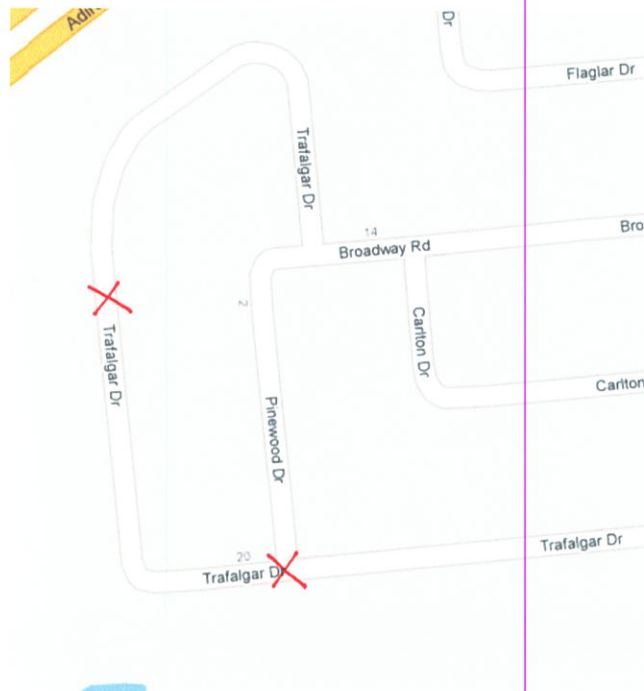

Mayor Kasprzak-

I am writing to request permission from the City of Plattsburgh to close down part of Trafalgar Drive on June 30th 2012, from 10 AM to 6 PM. The purpose of this would be to have a safe area to host a block party. Currently, over 30 families have expressed an interest in attending what will now be our third annual block party.

The area marked off would inconvenience a total of 12 homes for the time mentioned above. I have personally notified all of these homeowners of this. Access will be limited but the street will still be passable for residents and emergency vehicles. I will also ensure that appropriate City Departments will be notified.

Thank You,

Seth Silver

GRANT OF LICENSE TO USE OLD BASE MARINA PROPERTY

RESOLVED: The Common Council grants the United States Coast Guard Auxiliary a license to use the Old Base Marina Property for its mission on the terms set forth in the annexed Grant of License which is made a part of this resolution and ordered filed among the City records.

Grant of License

The City of Plattsburgh hereby Grants the United States Coast Guard Auxiliary a license to use and improve the following city owned property at what is commonly referred to as the Old Base Marina Property, on the following terms:

1. The term of this License will commence upon execution by the Mayor. It will expire at the end of the 2012 boating season, but may be terminated at any time on 48 hours notice if the City needs the property for a city purpose, or if the USCGA violates the terms of this License.
2. The USCGA may improve an existing building on the property at its expense and use such building for mission purposes. Any improvements to the building will remain the property of the city at the expiration or termination of this License.
3. The USCGA may install a temporary dock in the water across from the said building for use by watercraft owned its members and law enforcement agencies. The dock shall be considered the property of the USCGA and it shall be responsible for limiting use and access to the dock facility to its members and other law enforcement agencies.
4. The USCGA will not block or obstruct access to the boat launching facility. It may unload equipment and passengers at or near the building, but it shall not leave any vehicles parked at the waterfront level, or in the parking area immediately west of the railroad tracks.
5. The access road to the waterfront is in disrepair and closed to the public until further notice. The members of the USCGA and emergency vehicles are given permission to use the access road on the condition that signs or barricades indicating the road is closed to the public shall be put back in place after entering or

exiting the premises.

6. If when members of the USCGA are present on the property, they observe persons swimming, they will inform such persons that swimming is not permitted from the property, but is permitted at the city beach. If a swimmer fails or refuses to leave the water, the USCGA will call the City police.
7. The USCG Auxiliary, in carrying out the terms of this agreement, may be liable as an element of the USCG, for damage or loss of property, personal injury, or death caused by the acts or omissions of its members or agents, pursuant to the terms of the Federal Tort Claims Act, 28 USC 2671.11.

This License is granted this ____ day of _____, 2012.

City of Plattsburgh

By Donald M. Kasprzak, Mayor
